The graphic above is from a sculpture by Alexander Melov. It demonstrates the psychology of marriage as depicted in these plays. Is marriage always as it seems? What is really going on in our heads?

Poignant, sometimes funny but definitely thought provoking.

Please come along and see what you think!

2019 PANTO

Our next pantomime will be Puss in Boots written by the late and sorely missed Michael Ward-Allen, It is to be directed by Sandie King and the audition will be on **28th October at 4pm at the village hall.** If you are unable to make this date but are still interested in taking part, please let Sandie know. This is not only a wonderful opportunity for younger members of the club to be involved alongside the club's older members but also an opportunity to honour Michael who gave so much of himself to our club.

Further information re characters, songs, timings etc will be available via a separate newsletter edition in the near future.

**2019 IS THE 50TH ANNIVERSARY OF PRESTWOOD
THEATRE CLUB!!**

Under consideration at the moment are:

Snippets from some of our many performances over the last half century...where possible using original cast members.

Afternoon tea and films of our productions.

Formal dinner in October.

We are open to ideas so please contact me or any committee member on archwilson23@gmail.com if you would like to contribute.

We are also considering re branding the club under a new name, suggestions so far are Prestwood Players and Prestwood Theatre Company.

What do you think? Please let us know.
